# ESPEN WORKSHOP

## Intestinal Failure to be held in Manchester, UK

The ESPEN Experts' Course on Acute and Chronic Intestinal Failure will be held again **29th – 30th March 2019** at the Intestinal Failure Unit, Salford Royal Hospital, Manchester, UK. ESPEN will fund the course, whereas delegates have to fund a travel and accommodation.

Previous courses have been very well received particularly the close supervision and "hands-on" approach, including CVC care and ward rounds. Efforts will be made to strike a balance amongst different health care professionals to encourage the team approach.

Numbers are limited to 25 delegates and ESPEN members have priority.

To apply for a place, please send a CV to:
